

## **Graphic Artist/Web Designer Internship – United Sports Training Center**

### **POSITION DESCRIPTION:**

- Creative marketing solutions design and promotions composition
- Develop creative visual presentations, both print and web based
- Using a wide range of media, including photography and computer aided design
- Create designs, concepts and sample layouts based on instruction and esthetic design concepts
- Think creatively to contribute new ideas and design artwork for the training center
- Create and maintain web site content
- Producing a web design that will be attractive to the target user, has a logical navigation system and has all the features required
- Testing the site for functionality in different browsers and at different resolutions
- Writing web pages in a combination of codes, HTML, JavaScript, etc.

### **INTERNSHIP LENGTH:**

3 to 6 months concurrent to university semester or university internship guidelines.

### **REQUIREMENTS:**

United Sports is seeking a graphic artist/web designer who will provide graphic design and user interface expertise to produce visual solutions to the communication and promotional needs of our organization. Designers need imaginative flair, awareness of current fashions in the visual arts, and an understanding of material cost and time limits, all of which can impact the design. The ideal candidate will be comfortable working in a team environment, fluent in all Adobe programs (Illustrator, InDesign, Photoshop) and build web sites using HTML and JavaScript.

### **APPLICATION PROCESS:**

Applications will be reviewed on an on-going basis and only selected candidates will be contacted in order to setup an interview.

In order to be considered, please e-mail cover letter and resume to Greg Bayly, [gbayly@go2ustc.com](mailto:gbayly@go2ustc.com). No phone calls, please.
