

***Schedule revised 3/27 due to additional teams entering the league

Spring League Participants,

Thank you for joining the 2008 spring inline hockey league. The schedules for the first two weeks are now posted. Due to the large number of teams, each team will have to play a couple games at either 11PM, or on a different night of the week. I will do my best to keep the majority of the games on the originally specified nights.

The playoffs for the leagues will be as follows...

B league – The top 5 teams in the B league will play for a B+ League championship. The bottom 5 teams in the league will play for the B- League championship.

C-North League – The top 12 teams will make playoffs.

C-South League – The top 12 teams will make playoffs. The top 6 teams will play for a C-South+ league championship, and the 7 – 12 seed's will play for a C-South- league championship.

Captains,

If you have not already done so, please print out the roster form on the website and get that handed in through...

1. Fax – 610-466-9314
2. Email – mhodge@go2ustc.com
3. I will have a table set up the first nights of the league, bring it with you!

Also, make sure that each player is registered online, or will have their registration forms and payments with them on the first night. The number of participants on the bench needs to match the number of registration forms I have received.

Even though the rink is cleaned every morning, I still received a few comments this past season about the cleanliness (or lack there of) of the sport court rink. Therefore, USTC has purchased a brand new “zamboni” which will be used on the large sport court rink before the start of each night's games. We have already received compliments on the surface, and hope that this will enhance your playing experience at USTC.

Thank you in advance for your cooperation, and best of luck in the upcoming season.
